

CHILLIN' & GRILLIN' AT WESTMINSTER FARMS HOSTED BY BOB & PAT GOODELL 6/17/11

Bob Goodell spent his 68th birthday setting up tents, tables & chairs and cooking for 91 of his classmates and spouses. Thank you Bob and thanks to your family for the tours of the farm.

Which way to look when saying "cheese"? Long line of classmates-in-law on driveway taking pictures!

The left side of the group – closer up. (not a political statement!)

The middle section of the group – closer up

And the right side of the group – closer up

Getting up was easier many years ago!
